

Therefore, the Department instructed Customs to terminate the suspension of liquidation on the subject merchandise entered, or withdrawn from warehouse, for consumption on or after April 28, 1992. The Department reinstated suspension of liquidation and required cash deposits of estimated countervailing duties of entries made on or after August 25, 1992, the date of publication of the countervailing duty order (57 FR 38472). As such, merchandise entered on or after April 28, 1992 and before August 25, 1992 is to be liquidated without regard to countervailing duties.

The Department will instruct the Customs Service to assess countervailing duties of 3.30 percent *ad valorem* of the f.o.b. invoice price on all shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after March 31, 1992 and before April 28, 1992, and on all shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after August 25, 1992 and exported on or before December 31, 1992.

The elimination of the Abatement of Five Percent of the Value of Indigenous Malaysian Materials Used in Exports Program reduces the total estimated duty deposit to 3.18 percent *ad valorem*. Therefore, the Department will instruct the Customs Service to collect a cash deposit of estimated countervailing duties of 3.18 percent *ad valorem* of the f.o.b. invoice price on all shipments of this merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. This deposit requirement will remain in effect until publication of the final results of the next administrative review.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675 (a)(1)) and 19 CFR 355.22.

- Encourage leaders to weave community service into the fabric of the way that every community approaches its challenges.
